1. This map is a representation of specific resolutions and ordinances adopted by the Town of Basalt to apply initial zoning or rezone properties within the municipal limits. Please refer to the resolutions and ordinances that relate to a property to determine its most current and accurate zoning, or any approved special uses and provisions.

2. The Zoning Code is Chapter 16 of the Basalt Municipal code. It can be downloaded from the Town webpage at www.basalt.net. See the left side of the homepage. Additional zoning and land planning information is available from the Planning Department page of the website.

3. This map is a COPY of the Official Zone District Map. The original map is kept by the Town Clerk.

4. This map/drawing is a graphical representation of the features depicted and is not a legal representation. The accuracy may change depending on enlargement or reduction.

5. All street rights of way are zoned “P” Public.

6. See supplementary PUD map for additional information on PUDs.
