## Notice

Separate permits are required for electrical, plumbing, heating, ventilating or air conditioning. Permits for plumbing, heating, ventilating and air conditioning are available through this office. Electrical is permitted and inspected by the State of Colorado.

## Acknowledgement

I hereby certify that I have read and examined this application and know the same to be true and accurate. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
