

**RESOLUTION OF THE TOWN COUNCIL OF BASALT, COLORADO, APPROVING  
THE REVISED SIGN DESIGN FOR THE EAST ENTRANCE SIGN AT TWO RIVERS  
ROAD AND HIGHWAY 82 AND DIRECTING TOWN STAFF TO REQUEST BIDS FOR  
FABRICATION AND INSTALLATION OF THE SIGN**

**Town of Basalt, Colorado  
Resolution No. 10  
Series of 2021**

**RECITALS**

- A. On January 22, 2019, the Town Council directed the Basalt Chamber Sign Committee (BCSC) to issue a request for proposals seeking designs for the East Entrance Sign. This request for proposals resulted in the awarding of a design contract to Aceto Landscape Architects.
- B. After the design from Aceto Landscape Architects resulted in one bid that was deemed too expensive by the BCSC and the Town, the Town Council directed the BCSC on September 8, 2020 to modify the sign's design in order to be more affordable.
- C. BCSC commissioned Aceto Landscape Architects to value engineer the entry sign design and selected Alternative D that is attached here as **Exhibit A** (the "East Entry Sign").
- D. Staff has identified that there is \$55,000 in the 2021 Town budget for the BCSC's fabrication and installation of the East Entrance Sign.
- E. The Town Council wishes to approve the East Entry Sign design and proceed to bid, and believes that doing so is in the best interests of the Town.

**NOW, THEREFORE, BE IT RESOLVED** by the Town Council of Basalt, Colorado, as follows:

1. Recitals. The foregoing recitals are incorporated herein as findings of Town Council.
2. East Entrance Sign. The Town Council hereby approves the East Entrance Sign design set forth in **Exhibit A** and directs Staff to request bids for the preparation, fabrication, and installation of the East Entrance Sign.

**READ AND ADOPTED** on February 23, 2021, by a vote of 7 to 0.
